WIPO Vacancy

WIPO has announced its intention to fill a vacancy in the position of Head, Industrial Property Development Cooperation Section, Industrial Property Division. Incumbent will be responsible for the implementation of WIPO's program including particularly:

- preparation of model laws and model regulations for developing countries;
- preparing regional agreements and in setting up and organizing regional programs of work and administrations;
- particular questions relating to license contracts and technology transfer contracts;
- information on industrial property matters for developing countries, in particular preparation of seminars and workshops;
- participation in the planning and implementation of activities concerning also other Sections of the Industrial Property Division or other Divisions.

The particular functions of the incumbent will include the following duties:

(a) making proposals for long range and short range programs relating to the above-mentioned tasks;
(b) preparation of, and secretarial assistance to, meetings to be organized by WIPO concerning the above-mentioned tasks;
(c) writing studies dealing with the technical and economic implications of industrial property protection as well as related administrative questions; drafting instruments to be adopted by intergovernmental bodies, legislative texts, work programs and administrative schemes, as required in view of the above-mentioned tasks;
(d) representing WIPO in meetings of other intergovernmental and non-governmental international organizations.

The qualifications required are:

(a) University degree in law or equivalent legal qualification.
(b) Wide professional experience in the field of industrial property (including policies and its international aspects as well as related administrative aspects).

(c) Demonstrated ability to undertake studies and to draft texts as indicated in item (c).
(d) Ability in acting as a representative of WIPO in meetings in which industrial property questions are discussed.
(e) Excellent knowledge of English or French and at least a good knowledge of the other of those two languages. Ability to work in other languages would be an advantage.

The candidate must be less than 55 years of age.

The annual salary (P. 5) ranges from 52,244 Swiss Francs to 62,974 Swiss Francs. Post adjustments, on an annual basis range from 35,614 Swiss Francs to 40,869 Swiss Francs, without dependants; from 45,283 Swiss Francs to 51,965 Swiss Francs, with dependants.

Applications and additional information on WIPO Competition No. 292 can be obtained from the Head of the Administrative Division, World Intellectual Property Organization (WIPO), 32, chemin des Colombettes, 1211 Geneva 20, Switzerland. Closing date for receipt of applications is October 15, 1976.

SECTION 2.—INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sept. 1, 1973 rather than the international class which applies to applications filed on and after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of June 26. 1973 (911 O.G. TM 210).

SECTION 1.—INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sept. 1, 1973 rather than the international class which applies to applications filed on and after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of June 26, 1973 (911 O.G. TM 210).
